

SERIOUS HEAD PROTECTION

**GT5 SPORT OFFSHORE**

**INFO**

*The new GT5 SPORT Offshore is a versatile modern helmet designed primarily for entry level racers who demand quality and performance at a value price. It can be used as a large eyeport helmet with a standard shield or as an open helmet with an adjustable visor peak (optional), combining the feel of an open-face with the protection of a full-face model. The perfect helmet for racers just entering the sport on a budget, it is equally suited for closed cars or open cockpit machinery.*

- Fiberglass Composite shell
- Wide eyeport (Shield type SE05)
- Advanced multi-density, multi-piece liner to maximize energy absorption and impact performance
- Integrated channels in face piece offering multiple options to install drinking tube, valves and radio systems
- Ventilation channels
- Available with or without Hans anchors as original equipment
- Interior: Black FR fabric
- Color: Orange
- Sizes: S-M-L-XL
- Homologation: FIA8859-2015
